Curator of Prints and Drawings
LOS ANGELES COUNTY MUSEUM
Exposition Park
Los Angeles 7, Calif.

Dear Miss Feinblatt:

I sent you today five pieces by George Rouault.
I put cellophane in front of them in order to
protect them. If you use them in your exhibition,
you may take the cellophane off.

Unfortunately, I had some unexpected visitors
yesterday and therefore I could not finish the
cataloging of the Daumier. It will take me one
or two more days until I have the job done. I
hope you will forgive me because I am not too
reliable with my promise in sending the books
back today.

I would enjoy seeing you use the Rouault in the
Rouault Exhibition.

Best regards.

Sincerely,

Fred Grunwald
