Dear Jake:

Since the day that the Graphic Art Foundation was founded, it has always been my wish and my desire to have a kind of print or print discussion group established. For reasons which I do not want to explain in this letter, it was always postponed.

I was so happy that you met with friends in order to discuss the forming of such a group. You cannot imagine how much success I wish to those men who want to spend their time in this worthwhile cause. My best wishes are with you.

Best regards.

Sincerely,
